

YOUNG AGERRIANS

# BUSINESS BOOTCAMP

"For the past couple of years I have had one foot in farming and one foot still in the professional world, so [the Bootcamp] also helped me have the confidence to finally say, 'Okay, I'm gonna do this for real.'"

"Our mentor Jonah has been invaluable to us. As new farmers having somebody like Jonah to meet with to discuss ideas of what could work and what won't. Asking many questions about what has worked for him and his farm."
